COMMENTS AFTER ALLOWANCE

Commissioner for Patents:

Applicants note that the Examiner has entered the Amendment filed December 1, 2005, which included an amendment to the application title. However a typographical error in the word "Computer" in the amended title has been noted by applicants in the PTO's records.

The amended title should read:

DYNAMICALLY SWAPPING MODULES FOR DETERMINING A COMPUTER USER'S
 CONTEXT

Applicants respectfully request that the PTO's records be corrected to reflect the amended title, and that such corrected amended title appear on the face of the patent.

Respectfully submitted,
 SEED Intellectual Property Law Group PLLC
